## WOMEN GRIEVANCE CELL

Establishment of Women Grievance Cell (As per All India Council for Technical Education notified regulation for prevention and prohibition of ragging in AICTE approved Colleges).

In order to maintain safety and security to the girls and women, a cell has been constituted for redressal of grievances. Our women grievance cell stays alert all the time to prevent any sexual abuse towards the students and female workers. If the students face any harassment from the staff or workers, then they can complain at our women grievance cell. The members will look into the issues, gather the evidence, and take the necessary action against the guilty. We also focus on preventing this kind of harassment by using secret monitoring system, which keep a keen eye on the entire Ideal Institute of Technology campus.
